

CURTIN UNIVERSITY LIBRARY

ROBERTSON LIBRARY GENERAL INFORMATION

Opening hours

During semester, open 24 hours every day.

Enquiry services available:

Monday — Friday,
8:00am to 8:00pm.

Saturday and Sunday,
9:00am to 5:00pm.

Non-semester periods:

Monday – Friday,
8.00am – 6.00pm.

See the Library website for details of limited services available outside these hours.

Computers

PCs are available on all floors. The iZone on level 2 has Macs and Graphics workstations. Laptops are available for loan from staff on level 2.

Places to study

Group study tables, pods and rooms are available. Some rooms are bookable by visiting staff on level 2 or online at bookings.library.curtin.edu.au/.

Quiet and silent areas are provided on level 4, 5 and 6.

Need help in the Library?

Visit staff on level 2. Library staff regularly rove the Library building to provide assistance or use a help phone and staff will come to you.

Online help is available from LibAnswers on the Library website or phone us on 9266 7166.

How to locate items

The Library Catalogue is available from the Library website home page. It provides access to full text e-books and electronic journal articles.

For print items, the Catalogue will indicate availability and location. If the Catalogue displays item in place, this indicates that the item is available. Some shelf numbers include a letter at the beginning of the number: Q (Quartos/large books) are located at the end of the main shelving aisles. B (Booklets) and F (Folio/extra-large books) are located on level 4. P indicates a journal (periodical, serial, magazine) and are shelved in the Journal section.

How to photocopy, print and scan

Your student or staff Curtin ID card is also your copying and printing card. Place credit into your account online by logging into your student OASIS account (Curtin Life and Guild tab) or via self-service cashiers located on level 2 of the Library.

Combined photocopiers, printers and scanners are available on each level of the Library. You can also scan (A4 and A3) to email on these machines.

How to borrow

Curtin University staff and students need a current Curtin ID card to borrow. Self-service borrowing is available on level 2, 4 and 6.

All items are subject to recall so please ensure you check your notices regularly. Where possible, Curtin Library will automatically renew items on loan for you.

All Library borrowers will receive Library notices via email. Curtin students will also receive Library notices via the Official Communications Channel in OASIS.

Non-Curtin borrowers must visit staff on level 2 to make borrowing arrangements. If you are from another Western Australian university you can register online at wagul.library.curtin.edu.au/reciprocal-registration/.

How to request and collect

Log into the Library Catalogue to request items (items on loan and at Kalgoorlie are requestable). You will receive notification when the item can be collected from the High Demand area on level 2. Items are shelved by family name.

For details and more information, see the Library website library.curtin.edu.au.
